Independent Auditor's Report

To the Board of Trustees:

We have audited the accompanying financial statements of the business type activities, each major fund and the aggregate remaining fund information of the Hudson Municipal Electric Utility, as of and for the year ended June 30, 2012, which collectively comprise the Utility's basic financial statements listed in the table of contents. These financial statements are the responsibility of the Hudson Municipal Electric Utility management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinions.

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the business type activities, each major fund and the aggregate remaining fund information of the Hudson Municipal Electric Utility as of June 30, 2012, and the respective changes in cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated January 11, 2013 on our consideration of the Hudson Municipal Electric Utility's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Management's Discussion and Analysis and budgetary comparison information on pages 7 through 9 and 17 through 18 are not required parts of the basic financial statements, but are supplementary information required by the Governmental Accounting Standards Board. We applied limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. We did not audit the information and express no opinion on it.

**HUDSON MUNICIPAL ELECTRIC UTILITY
MANAGEMENT DISCUSSION & ANALYSIS
FISCAL YEAR ENDING JUNE 30, 2012**

Hudson Municipal Electric Utility provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2011. It is to be used in conjunction with the Utility's Annual Report which follows.

BASIS OF ACCOUNTING

The Utility has elected to present its financial statements on a modified cash basis of accounting. This basis of accounting is a method of accounting other than generally accepted accounting principles. Basis of accounting is a reference as to when financial events are recorded. Under the modified cash basis of accounting, revenues and expenses and their related assets and liabilities are recorded when they result from cash transactions.

As a result of the use of this method of accounting, certain assets and their related revenues (such as accounts receivable and revenue billed or provided services not yet collected); as well as certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the modified cash basis of accounting.

HOW TO USE THE ANNUAL REPORT

The items in the annual report consist of a series of financial statements and other information as follows:

Basic Financial Statements

- **Statement of Activities and Net Assets – Cash Basis** (Exhibit A)
Presents the major program costs and program receipts associated with that program. This is to determine the extent that the programs are self-supporting.
- **Statement of Cash Receipts, Disbursements and Changes in Cash Balances** (Exhibit B)
Presents the Utility operations in more detail by providing information on the most significant funds with the non-major funds lumped together.
- **Reconciliation of the Statement of Cash Receipts, Disbursements and Changes in Cash Balances to the Statement of Activities and Net Assets** (Exhibit C)
Reconciles any differences between Exhibit A and Exhibit B

Notes to the Financial Statements

- Provide additional information essential to a full understanding of the data provided in the basic financial statements.

Required Supplementary Information

- Further explains and supports the financial statements with a comparison of the Utility budget for the year.

Other Supplementary Information

- **Statement of Cash Receipts, Disbursements and Changes in Cash Balances – Non-Major Proprietary Funds (Schedule 1)**
Presents the non-major funds in more detail that were combined in Exhibit B.

Part of the requirements of the Management Discussion and Analysis is to provide a brief discussion of the Basic Financial Statements included in the Annual Report and the information they provide.

BASIC FINANCIAL STATEMENTS

- **Statement of Activities and Net Assets – Cash Basis (Exhibit A)**

The first section of the statement presents the major Functions/Programs. For the Utility, this would be the Electric fund. The Disbursements are listed in the first column with Charges for Service. The result is a Net (Expense)/Revenue. This is to determine the extent to which the program supports itself.

The next section is the General Receipts. It shows the Unrestricted Interest, Miscellaneous Revenues and Transfers. These revenues are not listed above because they are not generated from the direct operation of the program.

Adding the Business Type Activities Total with the Total General Receipts and Transfers equals the Change in Cash Basis Net Assets or the total increase/(decrease) in net assets for the Utility for the year. For the fiscal year ending June 30, 2012, the change in net assets was an increase of \$53,199. Beginning Net Assets had a balance of \$654,586. Subtracting the change from the beginning balance yields a Cash Basis Net Asset – End of Year balance of \$707,785.

The final section of this report shows that the Cash Basis Net Assets consist of \$17,344 in restricted funds (Meter Deposits) and \$690,441 in unrestricted funds.

- **Statement of Cash Receipts, Disbursements and Changes in Cash Balances (Exhibit B)**
The Utility only has one type of fund: Proprietary or Enterprise Funds. These types of funds are used to report Business type activities (activities that are self-supporting). The major fund the Utility maintains is the Electric fund. The utility also has the Meter Deposit fund which is a non-major fund.

Each fund has its own column to report the different types of Receipts, with the disbursements subtracted to obtain the Excess (Deficiency) of the Operating Receipts Over (Under) Operating Disbursements. This gives us the Net Operating Revenue (loss) for the fund.

After adding the Net Change in Cash Balances to the Cash Beginning Balances, we have the new Cash Ending Balance for the fund. The statement also breaks down the balance by reserved or unreserved funds.

- **Reconciliation of the Statement of Cash Receipts, Disbursements and Changes in Cash Balances to the Statement of Activities and Net Assets (Exhibit C)**

This reconciles any differences in the Cash Ending Balance or Net Change in Cash from Exhibits A and B.

FINANCIAL HIGHLIGHTS

- The total revenue was \$1,402,207 for the year.
- The total disbursements were \$1,549,009 for the year.
- The total borrowing was \$200,000 for the year.

2011 BUDGETARY HIGHLIGHTS

The budget for the year ended June 30, 2012 was not amended.

CONTACTING THE UTILITY FINANCIAL MANAGEMENT

This financial report is designed to provide our customers and creditors with a general overview of the Utility's finances and to show the Utility is accountable for the money it receives. If you have questions about this report or need additional information, contact Sue Theisen, Hudson Municipal Electric Utility, PO Box 416, 615 Washington Street, Hudson, Iowa 50643 in person, or by phone at (319) 988-4100. Sue can also be reached by e-mail at stheisen@hmeu.net.

HUDSON MUNICIPAL ELECTRIC UTILITY

Notes to Financial Statements

JUNE 30, 2012

(1) Summary of Significant Accounting Policies

A. Reporting Entity

The Hudson Municipal Electric Utility is a component unit of the City of Hudson, Iowa. The Utility is a legally separate organization, which has the authority to modify and approve its budget, modify and approve its rates, and is not dependent on any other organization. The Utilities' trustees are appointed by the mayor of the City of Hudson, and they are approved by the City Council.

For financial reporting purposes, the Hudson Municipal Electric Utility has included all funds.

B. Basis of Presentation

Government-wide Financial Statements - The Statement of Activities and Net Assets reports information on all of the nonfiduciary activities of the Utility. For the most part, the effect of interfund activity has been removed from this statement. The Utility reports business type activities, which rely to a significant extent on fees and charges for services.

The Statement of Activities and Net Assets presents the Utility's nonfiduciary net assets. Net assets are reported in two categories:

Expendable restricted net assets result when constraints placed on net asset use are either externally imposed or imposed by law through constitutional provisions or enabling legislation.

Unrestricted net assets consist of net assets that do not meet the definition of the preceding category. Unrestricted net assets often have constraints on resources imposed by management, which can be removed or modified.

The Statement of Activities and Net Assets demonstrates the degree to which the direct disbursements of a given function are offset by program receipts. Direct disbursements are those clearly identifiable with a specific function. Program receipts include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function and 2) grants, contributions and interest on investments restricted to meeting the operational or capital requirements of a particular function.

Fund Financial Statements - The major individual enterprise fund is reported as separate column in the fund financial statements. The remaining enterprise fund is reported as nonmajor a proprietary fund.

The Utility reports the following major proprietary fund:

The Electric Fund accounts for the operation and maintenance of the Utility's electricity.

C. Measurement Focus and Basis of Accounting

The Hudson Municipal Electric Utility maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the Utility are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with U.S. generally accepted accounting principles.

Proprietary funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

D. Budgets and Budgetary Accounting

The budgetary comparison and related disclosures are reported as Other Information.

(2) Hudson Municipal Electric Utility Formed

On November 6, 2007 the City of Hudson in a general election, passed a referendum to create the City of Hudson Municipal Electric Utility. Prior to this the Electric Utility operated as a proprietary fund within the City of Hudson accounts, controlled by the City Council. In January 2008 the City of Hudson through an ordinance created a board of trustees to operate Hudson Municipal Electric Utility.

(3) Cash and Pooled Investments

The Utility's deposits in banks at June 30, 2012 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Utility is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Board of Trustees; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Utility's had no investments at June 30, 2012.

(4) Revenue Bonds Payable

The utility had no bonded debt at June 30, 2012.

(5) Pension and Retirement Benefits

The Utility contributes to the Iowa Public Employees Retirement System (IPERS), which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by state statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa, 50306-9117.

Plan members are required to contribute 5.38% of their annual covered salary and the Utility is required to contribute 8.07% of annual covered payroll. Contribution requirements are established by state statute. The Utility's contributions to IPERS for the year ended June 30, 2012, 2011 and 2010 were \$8,325, \$6,443, and \$5,939 equal to the required contributions for each year.

(6) Other Postemployment Benefits (OPEB)

Plan description-The Utility operates a single-employer retiree benefit plan which provides medical/prescription drug benefits for retirees and their spouses. There is one active and no retired members in the plan. The Employee Manual states in part "...Upon an employee's termination, some benefits may be continued at the employee's expense if the employee elects..." The Utility pays 100% of the employees cost and 60% if additional cost for employee/spouse or employee/family.

Funding Policy-The contribution requirements of plan members are established and may be amended by the Utility. The Utility currently finances the retiree benefit plan on a pay-as-you-go basis. The most recent active member monthly premiums for the Utility and plan members are \$520 for single coverage, \$923 for employees with child(ren), \$999 for employee/spouse and \$1,497 for employee/family coverage. The same monthly premiums would apply to retirees. For the year ended June 30, 2012 the Utility contributed \$6,729 and plan members eligible for benefits contributed \$8,760 to the plan.

(7) Compensated Absences

Utility employees accumulate a limited amount of earned but unused vacation and sick leave hours for subsequent use or for payment upon termination, retirement or death. These accumulations are not recognized as disbursements by the Utility until used or paid. The Utility's approximate liability for earned vacation and sick leave termination payments payable to employees at June 30, 2012, primarily relating to the Electric Fund, is as follows:

Type of Benefit	Amount
Vacation	\$ 4,403
Sick leave	12,080
Total	<u>\$ 16,483</u>

This liability has been computed based on rates of pay in effect at June 30, 2012.

(8) Interfund Transfers

There were no transfers during the year ended June 30, 2012.

(9) Related Party Transactions

No related party transactions were noted.

(10) Risk Management

The Utility is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Utility assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

(11) Purchase of Building

On February 16, 2010 the Utility purchased a building at 615 Washington Street in Hudson, Iowa. In November the Utility moved its operations to that building. Cost of the building was \$178,793, which included closing costs. In addition the Utility agreed to pay sellers real estate taxes due September 2010 and sellers portion of the March 2012 payment. During year ended June 30, 2012 the Utility spent \$201,847 on the building.

(12) Contracts

The Utility contracts with Van Wert for the reading of utility meters. The contract is \$225 per month and renews automatically each year.

The Utility contracts with Traer Municipal Utilities for "Outside Service Work". The contract is for a minimum of \$1,575 per month and renews automatically each year.

The Utility contracts with Great Plains Locating Service for locating underground cables/services. The contract is for \$400 per month and renews automatically.

(13) Loan Agreements

During the year ended June 30, 2012 the Utility borrowed \$200,000 from Butler County Rural Electric. The first \$100,000 was borrowed on July 22, 2011. The second \$100,000 was borrowed on December 15, 2011. These funds were used for remodeling purposes on the building. Payment on each note is \$965.61 per month for 120 months. Balance of the notes at June 30, 2012 were \$92,048 and \$95,678 respectively.

(14) Litigation

There is no pending litigation involving Hudson Municipal Electric Utility.

(15) Subsequent Events

The Utility has considered subsequent events through January 11, 2013 and believe that there are no subsequent events that need to be disclosed.

See accompanying independent auditor's report.

Hudson Municipal Electric Utility
Notes to Other Information – Budgetary Reporting

JUNE 30, 2012

The budgetary comparison is presented in accordance with Governmental Accounting Standards Board Statement No. 41 for governments with significant budgetary perspective differences resulting from not being able to present budgetary comparisons for each major fund.

In accordance with the Code of Iowa, the Board of Trustees annually adopts a budget on the cash basis following required public notice and hearing for all funds except Internal Service Funds and Fiduciary Funds. The annual budget may be amended during the year utilizing similar statutorily prescribed procedures.

Formal and legal budgetary control is based upon nine major classes of disbursements known as functions, not by fund. Of these nine functions only business type activities is budgeted by Hudson Municipal Electric Utility. Function disbursements required to be budgeted include disbursements for the Proprietary Fund. Although the budget document presents functional disbursements by fund, the legal level of control is at the aggregated function level, not by fund.

During the year ended June 30, 2012, disbursements did not exceed amounts budgeted in the business type activities function.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

To the Board of Trustees:

We have audited the accompanying financial statements of the business type activities, each major fund and the aggregate remaining fund information of the Hudson Municipal Electric Utility, as of June 30, 2012 and for the year ended June 30, 2012, which collectively comprise the Utility's basic financial statements listed in the table of contents and have issued our report thereon dated January 11, 2013. Our report expressed an unqualified opinion on the financial statements which were prepared in conformity with another comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

The management of Hudson Municipal Electric Utility is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Hudson Municipal Electric Utilities' internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of Hudson Municipal Electric Utilities' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Hudson Municipal Electric Utilities' internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance all deficiencies, significant deficiencies or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings and Questioned Costs, we identified certain deficiency in internal control over financial reporting we consider to be a material weakness significant deficiency and another deficiency we consider to be significant deficiency.

A deficiency in internal control exists when the design or operation of the control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of Hudson Municipal Electric Utilities' financial statements will not be prevented or detected and corrected on a timely basis. We consider the deficiency described in

Part II of the accompanying Schedule of Findings and Questioned Costs as item II-A-12 to be a material weakness.

A significant deficiency is a deficiency, or combination of control deficiencies, in internal control which is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in Part II of the accompanying Schedule of Findings and Questioned Costs as item II-B-12 to be a significant deficiency.

Compliance and Other Matters

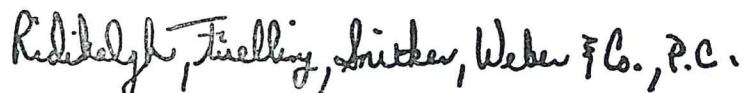

As part of obtaining reasonable assurance about whether Hudson Municipal Electric Utility financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Utility's operations for the year ended June 30, 2012 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Utility. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

Hudson Municipal Electric Utility's responses to findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. While we have expressed our conclusions on the Utility's responses, we did not audit Hudson Municipal Electric Utility's responses and, accordingly, we express no opinion on them.

This report, a public record by law, is intended solely for the information and use of the officials, employees and citizens of Hudson Municipal Electric Utility and other parties to whom Hudson Municipal Electric Utility may report, including federal awarding agencies and pass-through entities. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Hudson Municipal Electric Utility during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

RIDIHALGH, FUELLING, SNITKER, WEBER, & CO., P.C., CPA'S

January 11, 2013

Hudson Municipal Electric Utility

Part I: Summary of the Independent Auditor's Results:

- (a) Unqualified opinions were issued on the financial statements which were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.
- (b) Significant deficiencies in internal control over financial reporting were disclosed by the audit of the financial statements, including material weaknesses.
- (c) The audit did not disclose any non-compliance which is material to the financial statements.

Part II: Findings Related to the Financial Statements:

INSTANCES OF NON-COMPLIANCE:

No matters were noted.

SIGNIFICANT DEFICIENCIES:

- II-A-12 Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible.

Recommendation – We realize segregation of duties is difficult with a limited number of office employees. However, the Utility should review its control procedures to obtain the maximum internal control possible under the circumstances.

Response – We will review all procedures and make every effort to obtain the maximum internal control under the circumstances.

Conclusion – Response acknowledged. The Utility should segregate duties to the extent possible with existing personnel and utilize administrative personnel to provide additional control through review of financial transactions and reports.

- II-B-12 Accounting Staff Technical Expertise- Hudson Municipal Electric Utility's staff produce financial information for the board on a monthly basis, outside agencies as needed but does not employ staff with technical expertise to produce financial statements in conformity with accounting principles generally accepted in the United States of America to comply with the State's requirements or to comply with GASB 34 and therefore, it relies on its auditors to prepare such statements.

Response- Management feels that the auditors draft the financial statements and notes is a tolerable situation. to satisfy GASB 34 is sufficient. Internal financial statements are prepared monthly for reporting and decision making purposes. The requirements and form of the audited statements are different than the internal needs and change occasionally. Given the size of the organization, it is helpful to rely on the expertise of the auditors to monitor those requirements. Management approves the draft financial statements prior to their issuance.

Part III: Other Findings Related to Statutory Reporting:

- III-A-12 Certified Budget – Disbursements during the year ended June 2012 did not exceed budgeted.
- III-B-12 Questionable Disbursements – No disbursements were found that we believe did not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979.
- III-C-12 Travel Expense – No disbursements of Utility money for travel expenses of spouses of Utility officials or employees were noted.
- III-D-12 Business Transactions – There were no business transactions between the Utility and Utility officials or employees.
- III-E-12 Bond Coverage – Surety bond coverage of Utility officials and employees is in accordance with statutory provisions. The amount of coverage should be reviewed annually to insure that the coverage is adequate for current operations.
- III-F-12 Board of Trustee Minutes – No transactions were noted that we believe should have been approved in board minutes but were not.
- III-G-12 Deposits and Investments – We noted no instances of noncompliance with the deposit and investment provisions of chapter 12B and 12C of the Code of Iowa and the Utility's investment policy.
- III-H-12 Revenue Notes – The Utility did not have any revenue debt at June 30, 2012.
- III-I-12 Investment Policy – HMEU has adopted an investment policy to comply with Chapter 12B.10B of the Code of Iowa.
